

MISSION STATEMENT

The mission of Community Learning at Sir Robert Pattinson Academy is to provide adults with access to organised courses and learning which develops new skills, improves qualifications, confidence and community cohesion. We are committed to providing the best opportunities for learning and personal development for all within a caring and supportive environment. The main features of our approach to the provision of learning opportunities for adults include;

- Offering high-quality learning experiences underpinned by regular monitoring and evaluation of the courses
- Encouraging learners onto programmes, recording achievement and offering external accreditation
- Providing continuing professional development for all staff
- Co-operating with agencies to meet the needs of adult learners for educational guidance, equal access to provision and for relevant progressive learning opportunities
