

RISK ASSESSMENT

ACADEMY RE-OPENING POST COVID-19

SIR ROBERT PATTINSON ACADEMY	SECTION/TEAM: sub-assessments may be needed for certain areas of the academy	DATE OF ASSESSMENT: 13.07.2020 But ongoing pending changes to government guidance
WHO MIGHT BE HARMED? Employees, pupils, parents/guardians/carers, service users, contractors and members of the public. NB for ease of reading children and young people are referred to as child in this document. Unless specifically stated the controls apply to all children and young people attending the academy		HOW MANY ARE AFFECTED? 150 STAFF 1300 PUPILS

*** Once completed, all staff must read this document and sign within the box provided to confirm understanding.**

NB. Due to the proximity of North Kesteven Academy and related transport issues, SRPA cannot stagger start and end times on an Academy day.

No arrangements in place for children with specific medical needs	<ul style="list-style-type: none"> Data sheet for each child with specific needs - sign all medication in and out Ensure all medication administered is recorded with 2 staff present following standard guidance First aider is on site 	✓	Ensure data sheets are provided for all children Ensure sufficient staff in place to manage administration of medicine Ensure First Aider ratio is compliant Child specific medical needs including Epipens, inhalers etc. in place including emergency items if child has forgotten to bring theirs Where a child needs intimate care e.g. changing, the Academy must consult with the specialist health professional dealing with the child for advice on PPE before readmitting the child to school	Low
No or insufficient emergency contacts for children	<ul style="list-style-type: none"> Verify details on day 1 (as may be different to usual) Explain call may come from a school mobile or landline so that the contact answers call 	✓	Ensure at least three emergency contacts are provided Ensure alternative methods of communication are available e.g. mobile, landline, email	Low
Social distancing	<ul style="list-style-type: none"> Visitors to school to be kept to absolute minimum and only with the approval of a senior leader Parents to drop off child at school gate/overflow car park maintaining social distancing at all times Mark social distancing guides on school boundary to help parents identify 	✓	<p><u>Unless specifically approved by the Head Teacher no parents are to be allowed on site until the Academy issues revised guidance.</u> (see below for exceptions)</p> Place sign at site entrance/s reminding visitors of social distancing requirements and not to enter the academy site. Provide contact number for queries. Social distancing guidelines, signage and floor markers	Low

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place × if not	WHERE: × State action to be taken with timescales × Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<p>correct spacing</p> <ul style="list-style-type: none"> ● Remove all seating in reception areas ● Add mobile sneeze protection screens to main reception and parent room with 10 further ‘mobile’ screens for adaptable use ● Circulation around site to be reduced to the minimum and by a signposted one way system. Year groups will be ‘bubbled’ in year groups in Years 7, 8 and 9 in the main building (see operating procedures for map). They will be ‘semi-bubbled’ in Years 10 and 11 in the Art/DT block and science block respectively. ● Access and egress from the classroom should be through the classroom’s external exit (where fitted and suitable) ● Activities should take place outdoors as much as possible ● Visits to toilets by children should be controlled to maintain social distancing ● No more than 31 people in a standard secondary classroom (55m²). No more than 33 people in a standard (old regulations) classroom (62m²). The 		<p>are installed across the Academy</p> <p>Keep all gates locked during school hours</p> <p>Keep all entrance doors secured but ensure they can be opened in an emergency i.e. by automatic release, push pad/bar or thumb turn. Under no circumstances should doors be locked with a key, digital lock etc. whilst the school is occupied</p> <p>Approved visitors to remain outside or in reception area if weather is inclement. Ensure social distancing at all times.</p> <p>Deliveries - Ensure social distancing guidance is adhered to. For example, delivery personnel buzz intercom, leave package in sight, and step 2 metres away. There should be no expectation for the need to sign paperwork.</p> <p>Minimum of 1+ metres in all directions between children and 2 metres between children and staff</p> <p>Maintain distancing when moving through the building or when outdoors</p> <p>Minimum allowance per person = 4m² (some very minor relaxations may be allowed e.g. reduce to 3.87 m² with written permission from the Head Teacher)</p> <p>Keep rooms well ventilated and open windows as much as possible</p> <p>To reduce the need to touch them, internal doors,</p>	

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place × if not	WHERE: × State action to be taken with timescales × Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<p>above figures include one member of staff. The room measurements are the DfE Building Bulletin BB103 minimum sizes for these types of rooms. The above figures are guidelines depending on the shape of the room, fitted furniture etc. it may not be possible to achieve the capacities stated. The number of children will be reduced if there are additional staff e.g. teaching assistants, in the room. The Academy will plan for classes of no more than 32 on all occasions.</p> <ul style="list-style-type: none"> Remove soft furnishings, clutter and any surplus tables, chairs etc. and place in storage The Academy will put in place walk on the right in single file arrangements if people (staff or pupils) have to move between rooms The Academy will put in place a one way system (NB the one way system does not apply in an emergency evacuation) Adhere to government guidelines here 		<p>(apart from those giving access to out of bounds areas) should be kept open. Where required fire doors should be held open with an approved device that closes the door automatically on activation of the fire alarm. If in doubt site staff or H&S Contacts can advise on whether a door is a fire door <u>NB it is a criminal offence to wedge open a fire door</u></p> <p>Capacities should be reduced for smaller rooms and may be increased for larger rooms taking into account suitable staff to pupil ratios and current guidance re large gatherings (see government website for latest guidance)</p> <p>No contact sports or other activities where there is the potential for social distancing to be breached. Racquet sports (singles and doubles) are permissible. The Academy Health & Safety Adviser will provide more advice on suitable sports</p>	
Arrangements for extra handwashing around site	<ul style="list-style-type: none"> Installed 25 hand sanitiser stations Extra chances to wash hands on cycles 	✓	Hands should be sanitised on entry and exit from the building as well as before and after eating food.	

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place × if not	WHERE: × State action to be taken with timescales × Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<p>between lessons, at breaks and lunches</p> <ul style="list-style-type: none"> • The ‘catch it, bin it, kill it’ approach continues to be very important – the Academy will ensure there are enough tissues and bins available to support pupils and staff to follow this routine. • As with hand cleaning, the Academy will ensure younger children and those with complex needs are helped to get this right, and all pupils understand that this is now part of how school operates. 		<p>Installation of 6 external sinks for both KS3 and KS4 pupils to wash hands at breaks and lunchtimes.</p> <p>Pupils encouraged to sanitise at the beginning and end of every lesson.</p> <p>‘Catch it, bin it, kill it’ posters installed in the remainder of the building for a September return.</p>	
Pupils with additional needs attending mainstream provision	<ul style="list-style-type: none"> • Any pupils with conditions which require their parent to bring them into the Academy should be given an alternative start and collection time to ensure that there is one to one support as they enter the school site • Pupils who would require a parent to accompany them into the school grounds and additional support when in school will include pupils with: <ul style="list-style-type: none"> ○ Restricted mobility who make use of specialist equipment e.g. wheelchair, frame, rollator etc. ○ Visual impairment, which may make it 	✓	<p><u>Unless specifically approved by the Head Teacher no parents are to be allowed on site until the Academy issues revised guidance.</u> The exceptions are pupils with special physical needs e.g. mobility, visual impairment where they will need one to one support to get to the classroom. In these instances a parent and, if necessary, siblings will be allowed to take the child to a designated point within the school grounds for handover. The parent and sibling must not enter the school buildings unless specifically authorised by the Head Teacher. Social distancing must be observed at all times</p> <p>Specialist equipment that pupils take home with them each day e.g. wheelchairs must be wiped down with a sanitising wipe or spray (containing at least 60%</p>	Low

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<p>difficult for them to adapt quickly to unfamiliar surroundings or procedures e.g. new classroom layout, revised ways of entering or leaving a room, building etc.</p> <ul style="list-style-type: none"> ○ Special Educational Needs. Arrangements should be made on a case by case basis for pupils with emotional disabilities. Particular attention should be paid to the impact that any rearranging of furniture, routine etc. may have on the child and how this can be addressed e.g. social stories, shorter school day etc. 		<p>alcohol by volume) prior to initially entering the building and before leaving the building and handing over to the parent at the end of the school day. If the pupil remains in the chair all day then, to reduce the need for the pupil to transfer, staff should only sanitise those surfaces that can be easily cleaned without them getting out of the chair. If the pupil is still in the chair sanitising sprays must not be used, suitable wipes should be used instead. NB any contaminants e.g. grease, dirt etc. must be removed with detergent and water and dried prior to using a sanitiser</p> <p>NB As pupils with physical or emotional disabilities may require one to one and/or intimate care, attention should be paid to reducing contact, ensuring hands are cleaned regularly and avoid touching faces especially mouth, nose or eyes.</p> <p>The Head Teacher will consider whether the wearing of masks by staff is appropriate being conscious of the impact this may have on children. In specific cases, the clinical lead for the child should be asked for details of any additional PPE requirements as a result of COVID-19.</p> <p>The Senior Team will ensure that individual pupil RAs are amended to reflect any additional requirements and that all staff affected by the revision are made aware.</p>	

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place × if not	WHERE: × State action to be taken with timescales × Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
Classroom and staff resources	<ul style="list-style-type: none"> Resources, which have to be touched e.g. pens, pencils, crayons, computers, keyboards, input devices, screens, toys, etc. should not be shared. 	✓	<p>Where it is necessary to share resources these must be sanitised before being used by the other person e.g. child, member of staff</p> <p>Any sporting activities should be arranged to reduce the need to touch shared equipment e.g. mats</p>	Low
Provision and consumption of meals by staff and pupils	<ul style="list-style-type: none"> To reduce the risk of larger gatherings, the canteen will maintain social distancing and canteen ‘sittings’ will be the norm. The main hall will become the ‘sandwich area’ and will also be social distanced. Use of alternative ‘House bases’ for sandwiches if overflow needed. Staff should bring their own food and drink to be consumed in the classroom as staffrooms will not be in use. Staff will be able to order lunch at the academy using the compliant process which has been put in place. Cash will not be used on the Academy site. Additional operational guidance is available. 	✓	<p>All tables socially distanced with appropriate signage and tape in the canteen and main hall.</p> <p>House bases designated, where possible, in rooms that are not in use for teaching.</p> <p>All waste e.g. wrappings, containers etc. to be placed in plastic waste sacks and the tied sack placed on the table outside the classroom. All waste sacks should be tied securely and will be collected by the cleaning team for disposal.</p> <p>The Academy will only utilise electronic payment methods for all food and drink, as cash will not be used at our Academy site.</p>	Low
Out of bounds areas	The following internal areas will be out of bounds to all staff until further guidance is	✓	Any classrooms or other rooms designated as temporary staff work areas must be reconfigured to	

HAZARDS (including inadequate or lack of arrangements)	EXISTING CONTROL MEASURES	✓ if in place ✗ if not	WHERE: ✗ State action to be taken with timescales ✗ Any additional control measures ✓ Site specific details	RESIDUAL RISK RATING High, Medium, Low
	<p>provided:</p> <ul style="list-style-type: none"> • Staff rooms • Unused classrooms i.e. classrooms not being used for teaching <p>The following areas will be restricted to specific staff</p> <ul style="list-style-type: none"> • All unused rooms will be restricted to site staff and where necessary cleaners in order to facilitate lunch overflow sittings • Unused classrooms. Some of these may be designated as temporary work areas for other staff • Dining halls. Restricted to catering staff, SLT and site management 		<p>government social distancing guidelines i.e. 4m² per person with a minimum of 2m space between work stations in all directions</p> <p>Restricted areas and other unused rooms must remain locked at all times unless they provide a designated alternative escape route from another room/area or are used for lunchtime ‘overflow’ sittings.</p> <p>It is not envisaged that unused areas will require cleaning until they are brought back into use. Therefore, once these areas have been deep cleaned they will be out of bounds to everybody apart from site staff and the Head Teacher (for purposes of inspection). Any items that are needed for teaching or other purposes should be removed from unused rooms before they are locked down</p>	
<p>Person exhibits signs of having coronavirus (CV19) infection i.e.</p> <ul style="list-style-type: none"> • new, continuous cough • high temperature 	<p>Follow government guidance:</p> <ul style="list-style-type: none"> • If anyone becomes unwell with either a new, continuous cough, high temperature, loss of taste or smell in an education setting they should be sent home and advised to follow the staying at home guidance. • Maintain social distancing unless the 	✓	<p>Management of persons who have symptoms of CV19:</p> <p>If a child is awaiting collection, they should be moved, if possible and if appropriate, to a room where they can be isolated behind a closed door. Staff should be mindful of individual children’s needs – for example it would not be appropriate for younger children to be alone without adult supervision. Ideally, a window should be opened for ventilation. If it is not possible to</p>	Low
