

Career Mark Award

The Academy has held the Career Mark Award since 2008 for delivering high quality Careers Education Information Advice and Guidance and has successfully revalidated in November 2014 achieving Gold Award

Lincolnshire & Rutland Work Based Skills Awards

The Academy has successfully won the award for partnership and collaboration in 2012, 2013, 2014. This award acknowledges the commitment of schools to the development of young people. Schools have to demonstrate that they have excellent planning and delivery mechanisms in place and work in partnerships in order to enhance the learning experience of students to enable informed choices to be made.

Sir Robert Pattinson Academy Work Related Skills and Academic Awards.

The Academy has recently joined together its highly successful Work Based Learning Skills Awards and Academic Awards evenings.

The evening is all about recognising employability skills and academic achievement with representatives from businesses across the city invited to attend and present the awards giving students and parents the chance to make links with employers and find out more about their business.

To involve students from across the year groups the following activities receive nominations

- Snack Bar Idol
- National Construction Week
- Workwise Day
- Work Experience (6 categories- Business, Education, Engineering, and General plus two others which change yearly)
- Student Volunteer of the Year
- Apprentice of the Year
- Employer of the Year

Staff nominate students who display excellent skills in team working, leadership, communication and initiative during their designated activity

A wide range of academic awards donated by employers, parents of former students and staff themselves are awarded based of academic results, and application to studies.

A keynote speaker is invited to talk about their life, barriers they have overcome and to inspire students to aim and achieve high.
